# EXCLUSIVE INTERIORS BY DESIGN STUDIO **E-INTERIOR**

We create design projects from the development of the concept to the implementation of the finished project. Stages of work include 3D visualization, drawings, electrical plans, lighting, packaging documents etc.

Our studio is engaged in the development of design projects for residential premises: apartments and villas.

We also deal with commercial projects, such as: beauty salons, hotels, offices, etc.

# APARTMENTS

We create modern interiors in different styles. Designing according to your wishes and needs, for permanent residence, as well as a guest visit. Open plan apartments, penthouses, hotel rooms

# VILLAS

A complex approach to the design of your villa.  
Exterior (facade and landscape) and interior.

# COMMERCIAL PROJECTS

We make investment design taking into account the quick payback and evaluation of investments. Such a property is the most attractive for buying or renting. Our portfolio includes beauty salons, spa centers, dental, offices and hotels
